To Whom it May Concern,

It is with great pleasure that I recommend Allyson Speaks. I have known her for over 10 years, but have had the pleasure of working with her during a Winter 2018/19 mentorship program she participated in at Cheryl's Cookies. During her time at Cheryl's Cookies, she assisted the merchandising team with a variety of high priority tasks that benefitted the E-Commerce, Retail and Business to Business Departments.

Allyson displayed integrity, responsibility, and ambition very much in all things assigned to her during her time at Cheryl's Cookies. She is definitely a leader rather than a follower. Her ability to balance her home, school, athletic, professional, and social engagements is rather impressive.

She is also a dependable team player, always arriving on time, showcasing a strong sense of urgency. Her good judgment and mature outlook ensure a logical and practical approach to her endeavors.

Allyson would be a great asset to any organization, and I am happy to give her my wholehearted endorsement.

Sincerely,

Lindy Deal -Senior Merchant
